Rate Effective Date (dd/mmm/yyyy): dd/mmm/yyyy

Date signed (dd/mmm/yyyy) _____ Owner's Signature: X

Terms and Conditions for Rate Guarantees

By indicating that a rate guarantee is requested, the Owner agrees to transfer the total amount of premium to BMO Insurance. The Owner acknowledges that the commitment to transfer the funds is irrevocable.

In order to hold the rate, we will require the following no later than midnight EST on the next business day following the day that the quote was produced:

- A copy of the quote and signed application;
- In the case of a non-registered application, a copy of the cheque for the full single premium.

All items must be received at our Head Office in Toronto.

Cheques for non-registered funds for the full single premium should be made payable to BMO Insurance and must be received in our Head Office in Toronto within 10 calendar days of the date of the Request for Rate Guarantee.

Registered funds must be received by BMO Insurance within 45 calendar days of the date of the Request for Rate Guarantee.

If the funds are received by BMO Insurance more than 10 calendar days for non-registered funds or more than 45 days for registered funds after the date of this request, BMO Insurance has the right to give the less favorable of the rate basis in effect on the date funds are received and the guaranteed rate basis, but in no case will a more favorable rate than the guaranteed be given.

If the actual amount received is greater than the figure or estimated figure shown on this application by more than \$5,000.00, BMO Insurance reserves the right to give the less favorable of the rate basis in effect on the date funds are received and the guaranteed rate basis to the excess amount.

This rate guarantee is not a guarantee of income, but rather a guarantee of the rate basis used in the quotation. Note that the rate basis is only one of the factors used to calculate the income or single premium. If the funds are not received on the exact purchase date, BMO Insurance will re-quote based on the actual date of receipt, using the same guaranteed rate to determine the revised income or single premium amount but adjust the purchase date to the date of receipt of payment.
